Subject: School Attendance and Guidance on Illness

Dear Parents and Carers,

We hope this message finds you well. As we continue to support your child's learning and development, we want to emphasise the importance of regular school attendance. Every day in school matters, and consistent attendance helps children build friendships, develop routines, and make steady academic progress.

We understand that children can sometimes feel unwell, and it's not always easy to decide whether they're fit for school. To help you make informed decisions, the NHS provides clear guidance on common childhood illnesses and whether your child should stay home. You can find this advice here:

[!\[\]\(faf942dc3e59ce8eb64b4ac481eca7e0_img.jpg\) NHS: Is my child too ill for school?](#)

Please use this resource when your child is feeling under the weather. If your child is absent due to illness, we kindly ask that you inform the school office as soon as possible, stating the reason for absence.

The Attendance Policy can be found on the school website under, key information – Policies, where you will find more information on expectations, Fixed penalty notices etc.

Let's work together to ensure every child gets the most out of their time at school. Thank you for your continued support.

Warm regards,

Alexis King
Family worker / DSL / Attendance Champion
