"Loving, learning, growing together as Christ's family"

27.06.2022

Dear Parents/Carers,

As you know, we had our S48 Inspection last Thursday where 2 Validators spent the day at Christ the King, evaluating many aspects of the school on behalf of the Diocese. I attach the report with this letter. It is also available to view on the front page of the website on the noticeboard.

I am delighted to report that they have judged Christ the King overall as a "Good" school with "Outstanding" in the school community and moral development. They acknowledge the good standard of both teaching and outcomes in RE and the "exemplary" behaviour of pupils. They also recognise the strong links with the Parish and the hard work of the Governors. There are some wonderful quotes from our children, which I urge you to read and some lovely feedback from parents. I feel this report strongly reflects all the hard work and commitment all of our staff give to our children every day and I thank Mrs Flynn, as RE leader, for all of her work in preparing for the inspection. I also thank you as parents for your ongoing support.

We are still waiting for our Ofsted report. I have read the draft and we are waiting for permission to share it. As soon as I can, I will share it with you.

I would like to quote the opening line of our S48 report which I think sums up what we are trying to achieve at Christ the King:

"Christ the King is an outstanding community of faith, firmly embedded in Gospel values, where every member is welcomed, valued and encouraged to be the best that they can be."

Best wishes,

Mrs McVeigh
