Gospel

Luke 21:25-28, 34-36

There will be signs in the sun and moon and stars; on earth nations in agony, bewildered by the turmoil of the ocean and its waves; men fainting away with terror and fear at what menaces the world, for the powers of heaven will be shaken.

And then they will see the Son of man coming in a cloud with power and great glory.

When these things begin to take place, stand erect, hold your heads high, because your liberation is near at hand.'

People who suffer from nut allergies can develop a severe, potentially life-threatening allergic reaction.

If someone has a nut allergy it is not just eating nuts that can cause a severe reaction, just being touched on the skin or smelling the breath of someone who has had nuts or a product containing nuts can trigger anaphylactic shock (which can cause breathing and swallowing difficulties).

First aid staff in the school are trained to use the Epi-pens (an injection of adrenalin) which is required immediately if this happens.

We cannot have nuts in school in any form.

Please can we ask that you have no nut products in the lunch boxes or brought into the school as treats. Snacks containing Nutella or similar spreads are not allowed.

For example Peanut butter sandwiches, Chocolate spreads, Cereal bars, some granola bars, Cakes that contain nuts, Biscuits / Cookies that contain nuts, Satay Sauces, Nutella spread or snack containing Nutella, Boxes of variety chocolates.

This list is not exhaustive, so please check the packaging of products closely. We appreciate that this is an additional thing to check and we know that you recognise the importance of it. We do have to insist we are a nut free school.
