Gospel

Mark 10: 17-30

Who wondered the more, saying among themselves: Who then can be saved?

And Jesus looking on them, saith: With men it is impossible; but not with God: for all things are possible with God. And Peter began to say unto him: Behold, we have left all things, and have followed thee.

Jesus answering, said: Amen I say to you, there is no man who hath left house or brethren, or sisters, or father, or mother, or children, or lands, for my sake and for the gospel,

Who shall not receive an hundred times as much, now in this time; houses, and brethren, and sisters, and mothers, and children, and lands, with persecutions: and in the world to come life everlasting.

Parent Consultations will be held on

Monday 11th November 3.30-5.30pm and Wednesday 13th 4-7pm.

A text with a link to book will be sent out next week.

Monday 14th October

From Monday when collecting your child/ren afterschool in KS2 playground the location for each class will have changed.

Church News

First Holy Communion

If your child is in year 3 or above and you would like them to join the First Holy communion Program please ensure you complete the form, which is available from the church, by 13th October.

Medication

If your child has been prescribed medication by the Hospital or GP and it needs to be taken during school hours, please ensure it is given to the school office and not any other member of staff. Please note antibiotics will only be administered if the dosage is 4 times a day, every 6 hours.

The medication needs to be in its original packaging with a pharmacy label on.

You will also be required to complete a medication form which is available from the school office.

Reminder - Gates close at 8.50am

The Ark gate and Exbourne Road gate will be closed and padlocked at 8.50am every morning. Anyone arriving later than 8.50am will need to enter through the Durham Close entrance and will be recorded as late.

The gate cannot be opened once locked.

Please ensure your children enter the school through the correct entrance.

School Dinners

The price of a school meal has increased to £2.65 per day.

This is payable by either cash or cheque and should be paid daily or weekly in advance.

If your child is going to be late into school and would like to have a school dinner, please ensure you phone in to order a meal before 9.30 as meals are cooked to orders placed.

Thank you

People who suffer from nut allergies can develop a severe, potentially life-threatening allergic reaction.

If someone has a nut allergy it is not just eating nuts that can cause a severe reaction, just being touched on the skin or smelling the breath of someone who has had nuts or a product containing nuts can trigger anaphylactic shock (which can cause breathing and swallowing difficulties).

First aid staff in the school are trained to use the Epi-pens (an injection of adrenalin) which is required immediately if this happens.

We cannot have nuts in school in any form.

Please can we ask that you have no nut products in the lunch boxes or brought into the school as treats. Snacks containing Nutella or similar spreads are not allowed.

For example Peanut butter sandwiches, Chocolate spreads, Cereal bars, some granola bars, Cakes that contain nuts, Biscuits / Cookies that contain nuts, Satay Sauces, Nutella spread or snack containing Nutella, Boxes of variety chocolates.

This list is not exhaustive, so please check the packaging of products closely. We appreciate that this is an additional thing to check and we know that you recognise the importance of it. We do have to insist we are a nut free school.

Dear Parents and Guardians,

Avanti Cycling delivers Bikeability training on behalf of Reading Borough Council. Your Y5/Y6 child is eligible for free Bikeability Level 1&2 training at **Christ the King Catholic Primary School** over 2 days, commencing on or after **4th November 2024**.

This course lasts two days and is taught at a ratio of one instructor to six riders. Level 1 develops cycle control and group riding skills in the playground, before moving on to Level 2 road cycling skills on local roads developing hazard awareness and good decision making. We train children to ride in an appropriate manner incorporating real life traffic situations for a high-quality learning environment.

If your child can already independently pedal a cycle, without stabilisers, **please register them onto the course by 16th October 2024 by selecting 'Enrol' at <https://avanticycling.co.uk/bikeability>** or follow this direct booking link [Enrolment Form](#).

You should enter the following information:

Area	Reading
School Name	Christ the King Catholic Primary School
Course Date	4 November 2024
Level	Level 1&2
Year Group	5 or 6

Your child does need to be able to ride a bike independently prior to commencing the above course. For children without a bike and/or helmet, these can be hired for £10 per bike per course (no charge for helmets) if ordered in advance. Please **contact the school office directly** to make your request and pay at least 5 days before each course.

For children not yet able to ride, we can provide free **Learn to Ride** training to teach them to pedal and steer their cycle (90-120mins course in the playground), in advance of the Level 1&2 course. We will provide bikes and helmets for free of charge for this course if you don't have your own.

If your child needs this opportunity, please follow the same Enrolment link above and enter the following details by 14th October, training date to be confirmed.

Area	Reading
School Name	Christ the King Catholic Primary School
Course Date	4 November 2024
Level	Learn to ride
Year Group	5 or 6

You may enrol your child/children for both courses,

If you have any queries, please don't hesitate to contact me.

Kind Regards,
Vera Murray

At Avanti Cycling we are currently seeking new instructors. Being a Bikeability Instructor is fun, rewarding and offers flexible working patterns. We will train you to achieve the recognised national qualification. For more information email: recruitment@avanticycling.co.uk

Help shape the provision of childcare in Reading

As a parent we would like to know your views on childcare availability in Reading. We are currently running two surveys. One to collect information on early years childcare use and the another for parents of primary school age children regarding wraparound childcare. If you have children who fall into either of these categories, we would appreciate you taking part in one or both of our online surveys.

Annual surveys are carried out by Brighter Futures for Children to assess whether there is sufficient high-quality, flexible, and affordable childcare to meet the needs of our local community. The information you provide will inform Brighter Futures for Children's annual Childcare Sufficiency Report and help assess the government's commitment to investment in childcare.

Parents who take part in the surveys will be entered a prize draw to win a £50 High Street voucher. The surveys close on 3rd November 2024.

For the Early Years Childcare Sufficiency, please visit: <https://forms.office.com/e/AdjwvKV4UD>

For the Wraparound Childcare Parental Survey, please visit: <https://forms.office.com/e/KrGqAkRiRG>

All information provided by completing this survey will be handled according to our data privacy policy. Please visit brighterfuturesforchildren.org/privacy-policy for more information.

Thank you in advance for helping to shape childcare in Reading.

South and East Reading are being transformed into a giant community-wide game!

Earn points, get active and win prizes and awards for you and your community in this free, fun, walking, cycling or wheeling game. Create or join your community team and you could win loads of great prizes!

South and East Reading are being transformed into a giant game from **25 September - 6 November 2024**, and your community is invited to play.

Let's boost physical and mental health

Being physically active improves physical and mental health and boosts mood, immunity and relieves stress. Beat the Street helps make small changes to daily behaviour that can make a big difference for children and adults and help you to remain active after the game.

On your marks... Grab your cards or download our Beat the Street App

You can pick up a card from any local distribution points to use along with the map. Use the card to play the game and collect those all-important points. By playing with the Beat the Street App you can get access to exclusive features! Collect Gems, choose an avatar to represent you and raise the competition with our team leaderboards.

Get set... Register for prizes and more

Register your card at beatthestreet.me/readingse to win prizes and awards, track scores, join our health survey to earn extra points, and get the latest information about the game.

How to play?

To play, you can use a card or our Beat the Street App (Age 13+).

1. Create your Beat the Street account on our website at beatthestreet.me/readingse or by downloading our **Beat the Street App** via Google Play or the App Store
2. Add family members, and register a card to player profiles. Set up a team or join an existing one.
3. Start your journey. Find your nearest Beat Box using a paper or digital map and hover your card at the contactless Beat Box until it beeps and flashes. If playing with the app, tap the Beat Box icon on your phone and swipe to collect points.
4. Visit 2 Beat Boxes within an hour and collect 10 points for each Beat Box – this is 20 points for the journey.
5. Carry on your journey. Score 10 points for each extra Box you visit.

Awards and prizes

At the end of the game, we'll award a trophy for the top community teams. Individuals can also win Lucky Spot prizes including Beat the Street goodies on different weekly competitions.

If you can complete certain challenges, you'll also unlock an award! **Awards** will unlock automatically by earning points, playing at certain times or going out with your team. Check out your dashboard to see what awards you have earned and which ones you can still play for!

6. Any questions? Visit beatthestreet.me to find out more! Sign up for our weekly newsletter and follow us on our social networks.

The Educational Psychology Service (EPS) and Primary Mental Health Team (PMHT) have been running regular half termly virtual parent workshops, aimed at primary school aged children, on **helping your child with fears and worries**.

These are always very well received by parents and, as such, we are offering further dates (see below).

The aim of the workshop is to teach parents cognitive behavioural strategies so they can use them with their children to overcome their anxiety. It is based on the book: 'Overcoming your child's worries and fears' by Cathy Cresswell and Lucy Willetts.

The group is a 2.5 hour online workshop – a “whistle stop tour” of key principles for parents. **Free of charge, a no fee session**.

In addition, in response to increasing demand for **support for children with autism and anxiety**, the EPS and PHMW teams have developed a further parental workshop, aimed at parents of children who have been recognised as autistic, who have autism “traits”

or who are awaiting a diagnosis, and are experiencing anxiety. The aim of this workshop is to understand some of the differences in thinking styles of children with autism and why this can make them more prone to anxiety - in particular, intolerance of uncertainty.

It pulls together information from a range of sources and offers practical strategies for support. The group is a 2.5 hour online workshop – a “whistle stop tour” of key principles for parents. **Free of charge, a no fee session**.

Please see dates on next page

These workshops will run every half term (12 workshops in total).

Here are the session dates planned for next academic year:
