

Christ the King Catholic Primary School

“Loving, learning, growing together as Christ’s family”

On Monday we took a team of 11 year 5/6 pupils to an indoor Sports hall competition at JMA. This was the most attended event so far this year with 8 other teams competing.

Our team all put their best efforts in and were rewarded with several medals.

The relay team won the event and several other individuals also won medals. Our star performer throughout the event was Chloe who won 4 medals.

Well done to the whole team

Nut-Free Zone

Please do not bring any products containing nuts (peanuts or tree nuts) into area.

Thank you for helping to keep our children safe.

ALLERGY FREE
100%

People who suffer from nut allergies can develop a severe, potentially life-threatening allergic reaction.

If someone has a nut allergy it is not just eating nuts that can cause a severe reaction, just being touched on the skin or smelling the breath of someone who has had nuts or a product containing nuts can trigger anaphylactic shock (which can cause breathing and swallowing difficulties).

First aid staff in the school are trained to use the Epi-pens (an injection of adrenalin) which is required immediately if this happens.

We cannot have nuts in school in any form.

Please can we ask that you have **no nut** products in the lunch boxes or brought into the school as treats.

For example Peanut butter sandwiches, Chocolate spreads, Cereal bars, some granola bars, Cakes that contain nuts, Biscuits / Cookies that contain nuts, Satay Sauces. Boxes of variety chocolates.

This list is not exhaustive, so please check the packaging of products closely. We appreciate that this is an additional thing to check and we know that you recognise the importance of it. We do have to insist **we are a nut free school.**

Healthy Snacks

We have noticed an increasing number of KS2 children bringing in a variety of unhealthy snacks for break time eg. Chocolate, cookies, crisps.

When the children start at CTK School in Nursery or Reception they eat healthy snacks that are fruit or vegetables. The Government scheme is to provide all Early Years and Key Stage One Children with a piece of fruit or veg until the end of year 2. We want to continue this healthy eating in KS2.

Can we ask that you provide your child with a healthy snack for their mid morning break . Examples of healthy snacks are: fruit, vegetables, rice cakes and bread sticks. If you are sending in fruit for your child to have at breaktime, such as grapes, please make sure the fruit is cut up.

Thank you

School Building Fund

Christ The King is a Voluntary Aided School. This means that our funding is slightly different from most other schools locally. In particular, it means that unlike our neighbouring schools we have to pay a set percentage of the cost of any major purchases or building work.

To enable us to do this we ask for a contribution of £10 per child, per term (based on three terms a year) The money we receive is allocated solely for our school's use and helps us to fund future projects which would otherwise not be possible.

The £10 contribution is paid via School Money and this term's contribution is now available for payment.

Have you booked your child's 2 year health review?

When your child is 2 years old, you'll be contacted about their health and developmental review with our Health Visiting Team.

We'll talk about your child's progress and answer any questions or concerns you might have. Here are some top tips for how you can help with their development.

Decision making:

- Give choices at snack times or mealtimes

Thinking and doing:

- Teach your child sizes by building big and little towers
- Go on a treasure hunt looking for items of different colours, textures and shapes
- Large empty cardboard boxes have endless uses: turn them into car or a playhouse

Fine motor skills:

- Have fun at bath time with sponges and plastic bottles squeezing and pouring
- String a necklace using old shoelaces and painted pasta tubes, buttons, or Cheerios
- Draw lines, zig zags and spirals together and take turns in copying each other's patterns

Feelings and emotions:

- Make happy or sad faces
- Make silly faces and in front of a mirror together
- Encourage pretend play; have a teddy bear's picnic or birthday party
