School Building Fund

Christ The King is a Voluntary Aided School. This means that our funding is slightly different from most other schools locally. In particular, it means that unlike our neighbouring schools we have to pay a set percentage of the cost of any major purchases or building work.

To enable us to do this we ask for a contribution of £10 per child, per term (based on three terms a year) The money we receive is allocated solely for our school's use and helps us to fund future projects which would otherwise not be possible.

The £10 contribution is paid via School Money and this term's contribution is now available for payment.

We have updated many of our Policies on our website, they can be found in the Key Info tab under Policies. These include a new Pupil Absence & Attendance Policy. We recommend you take the time to read through these.
