Recent Inspections

This has been a great week at Christ the King School.

On Monday we shared our S48 Inspection report with you and on Tuesday we were able to share the OFSTED report.

We are so pleased to report that both inspections concluded that Christ the King School is a “Good” school.

A copy of both reports can be found on the front page of the school website.

We are proud of our “inclusive” school where “pupils like school and enjoy learning”.

We recognize that there are areas which can be further improved and we are confident that we can do this over the next academic year,

Our thanks go to all our staff and governors who have worked so hard over the last couple of challenging years and a special thank you to all the children and parents who continue to support the school.

Everyone should be very proud over what has been achieved and we look forward to your support as we continue to go from strength to strength.

Miss Pearce's

Be part of Reading's future - time capsule project taking place at Station Hill

The company behind the Station Hill development, Lincoln MGT, together with local arts and culture charity, Jelly, is hosting a free pottery workshop on **Saturday 2 July, 10am to 2pm**. The workshop will take place at The Tin, Station Hill, [Reading](#), RG1 1NF.

Children can join local artists and a historian from Reading Museum to create a clay object inspired by pictures of architectural objects found on the Station Hill site and across the town. The completed sculptures will then be included in a time capsule that will be buried next year under Station Hill's new pocket park beside Reading Station.
