Our children have been taking part in British Science Week, where the theme was 'Growth' this year. The children learnt that our food is grown by farmers and that when we waste food, we add to the problem of climate change.

On Wednesday this week, as part of British Science Week, the Nursery, Reception, Year 1 and Year 2 classes wore their wacky wellies to show their appreciation for all the farmers who grow our food. Our photos will be entered into the Wacky Wellies Twitter and Instagram competition run by Bayer.

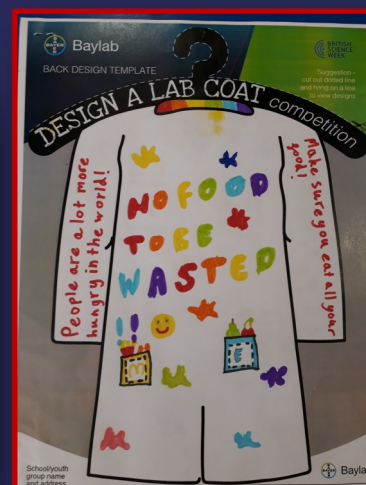

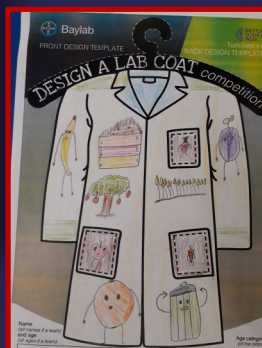

Children throughout the school have also been designing lab coats for another competition which also focused on food and food waste.

Well done to everyone for taking part!

WACKY

WELLIES

Christ the King's Netball Team

Took part in a competition this week, where they competed against other schools in the area.

They came second overall.

Well done to Lexiss, Oliver, Daniel, Chloe, Junaye, Neave, Thomas, Shammah.

Information for parents and carers on COVID-19 vaccination for at risk 5 to 11 year olds

Children aged 5 to 11 years who are in a clinical risk group or who live with someone who is immunosuppressed can get the COVID-19 vaccine, in line with advice set out by the Joint Committee on Vaccination and Immunisation (JCVI).

Eligible children include those with diabetes, immunosuppression, learning disabilities, and other conditions as outlined by the UK Health Security Agency (UKHSA) in the Green Book.

Vaccinations help to increase protection against COVID-19, which is particularly important for those with underlying health conditions. Further information is available in the guide for parents of children aged 5 to 11 years published by UKHSA.

The government have published some frequently asked questions on the vaccination programme including information on eligibility, accessibility and advice for parents of children at high risk from COVID-19. Following advice from the JCVI, healthy 5 to 11 year old children will also be offered two 10 microgram doses of the COVID-19 vaccine. The NHS will prepare to extend this non-urgent offer to all children during April.

After School Club

On Thursday we decorated cones and made peppermint creams to put inside them.

This week all the children enjoyed the sunshine and the outdoor activities.

Wednesday 30th March

**Wear a onesie for autism as part of
Autism Awareness Week.**

**This is for awareness only and we are not
collecting donations.**

Childcare

**Our breakfast club and after school club
operates Monday—Friday.**

Breakfast club £3.00 per session

After school club £10.00 per session.

**Please use School Money to book online
or ask at the school office if you have any
queries.**

Parking

**Please can we respectfully remind parents
to park considerately when dropping off
and collecting their children from school.**

**Please park considerately to keep our
children safe.**

Health and Wellbeing

**Please do not send your child to school if
they are unwell.**

**For the health and wellbeing of all mem-
bers of our school family.**

**In the case student experiencing
sickness or diarrhea, child has at least 48
hours 'clear' of suffering before returning
to school.**

**Please let the school know straight away if
the child has any COVID symptoms or
tested positive.**

Gospel

“But when they continued asking him, he straightened up and said to them,

“Let the one among you who is without sin
be the first to throw a stone at her.”

John 8:1-11
