

Christ the King Catholic Primary

“Loving, learning, growing together as Christ’s family”

Friday Book Giveaway!

We have been refurbishing our library and had some good quality books to give away to our parents. Thank you to all of those parents who came last Friday and took some books and to Miss Sutton for organising the event.

Look at our new library and Nursery!

We have been busy over the Summer creating a new library and Nurture Room . We have also refurbished our Nursery so it looks fresh and inviting for the children. We have new carpet in the corridors and a new foyer with our mission statement displayed. All of this has been funded by the contributions you make to the building fund so your contributions really make a difference. More information next week on how you can sign up and make a contribution.

Clubs

We are due to start most of our clubs from Monday 20th September. Texts have been sent to parents to inform them of the start date and collection time if they are after school.

National Fitness Day

22nd September is National Fitness day. At ten o'clock, children will complete 10 minutes of exercise. See next week's newsletter for some photos.

If you are collecting from the Ark gate, please do not block the roundabout and use the available spaces. Thank you.

We know how boys learn.

Choosing a school is one of the most important decisions you will make as a parent. We encourage every parent to come and visit us for a real flavour of what we can offer your son.

We have strong academic, sport and creative success; this is delivered through the exceptional level of curriculum (within an IT & sport rich environment) and pastoral support for every student. We challenge every student to exceed their expectations with pride.

We have excellent transport links, with travel via bus, train and cycling popular choices. Our school is so much more than buildings; with an on-going programme of school facility improvement place.

We know how boys learn, we urge you to visit the school to get a real sense of how our community works.
