Congratulations to Miss Boutska who became Mrs Gallian during the Easter break.

We send her and her new husband all our best wishes for the future.

From Monday there will be changes on the KS2 playground at the end of the day. There will be new markings on the playground and the children will line in up in different places. We will direct parents on Monday.

Today we had a Virtual Mass to celebrate the resurrection. Mrs Bloom's class lead the mass, whilst Mrs Gooch's class presented a drama of the resurrection.

You may have noticed that all the play equipment from the KS2 playground was removed over the Easter holidays. Unfortunately it had reached the end of its life and was beyond repairing. We will now need to raise funds to provide replacements, we will start fundraising as soon as we are able but in the meantime we are grateful to all parents who contribute to the building fund.

Parent and teacher meetings - Teams

As you are aware, we are currently limiting the people accessing our school site, in order to maintain social distancing. Due to this, we have decided to run our parent and teacher meetings virtually, using Microsoft Teams.

If you have booked a slot, through the online booking system, then your child's teacher will send you a link, using the email address you have provided to the school, on the parent contact form. This link will take you into the online meeting room, using the Microsoft Teams app. If you would like two parents to attend, on multiple devices, from alternative email addresses, then please contact your child's teacher to make them aware of this.

Before clicking the link, please ensure that you have the Teams app downloaded on your device (you may access the meeting through an internet browser if you are using a laptop or desktop computer).

When you enter the meeting room, you will need to be approved by the teacher at your booked time. Please ensure that your name is recognisable on the app – you could rename yourself on Teams with your child's name to make it easier for the teachers. Do this in the app by clicking the three lines in the top left, click on your name and then click the pencil to edit name.

NATIONAL WALKING MONTH 2021

Walking is good for our minds, our bodies and our neighbourhoods and has been a lifeline during the past year, helping people stay active and connected.

Make a pledge to #WalkThisMay and see what benefits you stand to gain.

For more details please visit the website provided below.

During drop off and pick up school time the road and pedestrian areas are extremely busy. That's why you need to take extra care by driving slow, stay aware of crossings, never double park as it puts children at risk and don't mount the kerbs please.

Remember to always give way to pedestrians
