Christ the King Catholic Primary School

Mr Cosgrove's school visit

This afternoon the children were excited when Mr Cosgrove called for a visit.

L.S. Lowry Art

Eden, Year 3

Laurence Stephen Lowry is famous for painting scenes of life in the industrial districts of North West England in the mid-20th century. He developed a distinctive style of painting and is best known for his urban landscapes peopled with human figures.

Children inspired by Lowry arts, drew their own pictures using charcoal.

Thank you for support on Monday when we received news of our first positive COVID19 case. As soon as we heard we took advice from the DfE, who provided us with advice on isolation. We currently have both children and school staff isolating and we have been using the Seesaw App to ensure the children can continue to learn remotely.

The period of isolation will end after 14 days since the last contact so we will welcome the isolating children and staff back to school on Thursday 22nd of October.

Our thoughts and prayers are with the family of the child who received the positive test result and we glad to hear that they are all feeling well.
