Christ the King Catholic Primary School

This Friday Christ The King Catholic Primary School supported BBC Children in Need with a non uniform day. Some classes organised activities for this day such as “bedtime stories” or “movie night” in PJ’s outfits.

This year we are not collecting money for donations. We realise some of our families are struggling at the moment.

However if you would like to support Children in Need you can donate direct to the charity account at:

<https://donate.bbcchildreninneed.co.uk/>

At 11 o'clock on 11th of November 2020
at Christ The King Primary School we
paid respect to honour Britain's war dead
with a minute's silence.

Mrs Parry-Jones and Miss Boutska's pupils put some of their favourite red things into a blank poppy. They spoke about putting the things they have now in the poppy to thank the people in the wars who gave up much for us.

Stay COVID-19 Secure

Please Wear
Face
Masks

As we continue to try and prevent the spread of COVID-19 we are now asking parents to wear masks when dropping off and collecting their children. We would also like to remind everyone to try and maintain social distance when both inside and outside the gates.

There has been a change in the advice to schools from Reading Borough Council and from Monday the children will see some members of staff wearing masks during the school day. This is nothing to be alarmed about but simply a way of protecting everyone in cases where it may be difficult to maintain social distance or when entering a different school bubble.

Thank you for your cooperation.

WELCOME

Miss Pearce is a student in her final year at University and will be spending both her teaching placements with us. Miss Pearce has already started her work experience in Miss Sutton's class.

Family Support

Mrs Clarke is working from home at the moment.

If you need to discuss any family issues or any Safeguarding matters you can get in touch by email: *familysupportworker@christtheking.reading.sch.uk*

Or call on 07703469057

SENco

Mrs Asker is working from home for the next few weeks. Any queries related to SEN,

Please contact by email:

Senco@christtheking.reading.sch.uk

Public Health
England

Advice on the coronavirus for places of education

How serious is the coronavirus?

- it can cause flu-like symptoms, including fever, cough & difficulty breathing
- the infection is not serious for most people, including children
- there is currently no vaccine
- most people get better with enough rest, water to drink and medicine for pain

How likely are you to catch the virus?

- you can only catch it if you have been close to a person who has the virus
- the chance of being in contact with the virus is currently low in the UK
- if you have travelled to areas where many people are infected, your chance of catching the virus is higher, i.e. China and any affected areas

How can you stop coronaviruses spreading?

If you need to cough or sneeze

Catch it
with a tissue

Bin it

Kill it
by washing
your hands with
soap & water or
hand sanitiser

You should wash hands with soap & water or hand sanitiser

**After breaks
& sport
activities**

**Before
cooking
& eating**

**On arrival at
any childcare
or educational
setting**

**After using
the toilet**

**Before
leaving
home**

Try not to touch your
eyes, nose, and mouth
with unwashed hands

Do not share items that come
into contact with your mouth
such as cups & bottles

If unwell do not share
items such as bedding,
dishes, pencils & towels

Stop germs spreading with our e-Bug resources on hand and respiratory hygiene lesson plans for KS1, 2 and 3: campaignresources.phe.gov.uk/schools

What should you do if you feel unwell?

Keep away from others and stay at home to stop the infection spreading. Avoid public transport if you think you have symptoms of coronavirus. If you become unwell at a place of education, tell a member of staff and let them know if you have travelled to any other countries in the last 14 days.

If your staff member or parent thinks you have symptoms of coronavirus, they should call **NHS 111** for advice. Follow the UK Government advice for childcare or educational settings gov.uk/government/publications/guidance-to-educational-settings-about-covid-19. Parents can visit **NHS.UK** to find out more information. Teachers and support staff should follow the UK Government advice.

Staff, students and pupils who have returned from Wuhan and Hubei Province in China should self isolate, and NOT attend education or work for 14 days. See **NHS.UK** for advice on coronavirus.

If there is an emergency, call 999 immediately

PLAYGROUND NEWSROUND

WELLBEING AND SPORT

Thursday 12 November 2020

This fortnight's update includes information on:

- New virtual after school club
- Free activities and resources
- YST's December fundraising campaign
- Our Well Led live podcast event
- A new toolkit for governors

FREE TO ACCESS

FREE

After School Sport Club

We would be really grateful if you could share this information with parents through your usual channels.

The Youth Sport Trust will deliver a free virtual after school club as part of a national response to the second lockdown. The 30-minute club will take place at 5pm each weekday on YouTube Live and be led by a different member of the YST's Athlete Mentor network. Starting on **Thursday 12 November** with world number one female inline skater and 10-time British Champion Jenna Downing. Aimed mainly at primary-aged children, a different theme has been assigned for each day of the club - Adventure Monday, Tuesday Play, Wild Wednesday, Thinking Thursday and Fun Friday. Follow us using **#YSTAfterSchool** and click below for more information.

If you are secondary-based, please pass on to all parents of primary-aged children in your school and feel free to pass on to your local primary schools.

EVENTS AND CPD

Well Led LIVE

As part of a series of events shining a spotlight on the three Well School pillars, we are privileged to have Adrian Bethune from www.teachhappy.co.uk hosting a live podcast with contributions from Well School contributors, partners and education influencers on why staff wellbeing is so important and how it can be supported during and beyond COVID-19. You can register to attend the event on **Monday 23 November** at 3.30-4.30pm. by clicking below.

Please keep reading below for our December teacher wellbeing campaign.

FUNDRAISING

The Big Give #ChristmasChallenge20

This year we are thrilled to be taking part in The Big Give **#ChristmasChallenge20**. We are aiming to raise £12,500, matched pound for pound by the Monday Charitable Trust and Sky Sports, giving us £25,000. This will go towards supporting teacher wellbeing in 25 schools in areas of deprivation. We are not asking schools to fundraise for us, but any help you can give us to push our messaging on social media would be hugely appreciated. Thank you.

ADVOCACY

Menstrual cycle survey

We know that the menstrual cycle can have an impact on girls' participation in sport and physical activity. Swansea University are conducting research on menstrual cycle education and want to hear from teachers across the UK. The answers will help better understand the current support and guidance teachers receive whilst identifying the impact of the menstrual cycle on confidence, understanding and physical activity levels in girls and young women. If you are a teacher and would like to take part, please click on the link below to take part in the 10 minute survey.
