Nativity

Every year Christ the King Primary school celebrate the birth of Jesus, son of God.

Well done to all our children and staff who worked so hard to deliver a brilliant Nativity this year. We hope that the parents, carers, families and friends will enjoy watching the show at home. We are proud of everyone who contributed for the Nativity to happen.

The Nativity will be available on the school website after all the classes (who are currently isolating) are back to record their wonderful scenes.

Festive Surprise

On Tuesday pupils from Christ the King got a little surprise from Santa Claus. He sent a couple of reindeer to visit our school and spread the Christmas spirit.

All the children were excited and they had amazing time.

'Christmas cards for kindness'

The Mini Vinnies 'Christmas cards for kindness' were delivered to the elderly residents of Parsons Green nursing home, Shinfield.

The whole school was involved in this project, the aim was to spread some Christmas cheer.

The cards were greatly appreciated by the elderly residents.

Children have been cycling a lot more with their families during lockdown and we really want to keep the enthusiasm for cycling going, by training them to cycle safely on the roads.

Now, more than ever, it is important to get the current Year 6 pupils trained to become safe and confident cyclists, before they move on to secondary schools. There is a greater risk involved in travelling on school buses or public transport, so what better way to travel to secondary school than by sustainable means such as walking or cycling?

Avanti Cycling offer three different levels of training to children, giving them skills and confidence for all kinds of cycling. The courses run in school are for Year 5 and 6.

Each course is held over 1 or 2 days, is free of charge (unless hire of bike is needed) and instructors are following strict COVID-19 guidelines to ensure social distancing and hygiene.

Avanti run other sessions, for which there is a charge, including a road safety course for 7 and 8 year olds and a 90 minute session for parents riding with children. They are also looking to set up a youth cycling club.
