

Year 6 farewell

This afternoon we are welcoming in all our Year 6 children for a farewell. We have tried to make their last day at CTK as special as we can whilst keeping everyone safe. We are disappointed that we can't welcome parents in but we are going to take lots of photos which will be available to view on the website.

We wish our Year 6 children all the best for their next adventure and remember you will be always welcome at CTK.

End of Term

Just a reminder that Transition Day on Monday 20th July will be the last day for children before we break up for the Summer break. I would like to take this opportunity to thank all of the staff, parents and children for all of their support during my first year as Headteacher. It was not the year I expected, but through difficult times this is when kindness and compassion shines through. I have seen so many examples of this in our community during the last few months and I would like to thank you all for your patience and understanding. I hope you all have a good break over the Summer and I look forward to seeing you all in September.

Mrs McVeigh

The Gospel

He put another parable before them, 'The kingdom of **Heaven** may be compared to a **man** who sowed **good** seed in his field. While everybody was asleep his enemy came, sowed darnel all among the wheat, and made off. When the new wheat sprouted and ripened, then the darnel appeared as well. The owner's labourers went to him and said, "Sir, was it not **good** seed that you sowed in your field? If so, where does the darnel come from?" He said to them, "Some enemy has done this." And the labourers said, "Do you want us to go and weed it out?" But he said, "No, because when you weed out the darnel you might pull up the wheat with it. Let them both grow till the harvest; and at harvest **time** I shall say to the reapers: First **collect** the darnel and tie it in bundles to be burnt, then gather the wheat into my barn."

Matthew 13: 24-43

September

The risk assessment for opening in September has been approved by Governors and is now available to view on the front page of the website. We are going to have staggered start and finish times, but it will be a short period of time as we are able to use different gates. The first drop off time will be 8.40 and the last will be 9.00. The first pick up time will be 3.10 and the last pick up time will be 3.20. As well as the risk assessment, a letter summarising what will happen will be emailed to parents on Monday.

Tik Tok

Please read this message from Wokingham Council:

Some children have innocently used Tik Tok from home but have in the process gained followers that they do not know, which poses obvious risks to their online safety.

In order to keep your child safe, please read the following online safety information from Vodafone <https://www.vodafone.co.uk/mobile/digital-parenting/tiktok-controls> which will help put safety controls in place to protect your child. Please continue to keep an interest in whatever your child is accessing online in order to ensure your child's safety. Tik Tok is recommended for children 13+.
