

Home Learning

This picture was drawn by Molly in Year 3.

We are now in our second week of home learning and we have had some very positive feedback from parents.. Daily activities can be accessed on our class pages on our website and contact can be made about learning with your class teacher on the class e mail. If you have had any problems or have any questions please do not hesitate to either e mail your class teacher or call the front office.. We have updated our Safeguarding policy during our school closure which can also be found on our website under key information/safeguarding.

Easter Holidays

Our Easter holidays are due to begin on Monday 6th April. We understand that whilst we are during a period of school closure you still may wish to carry on with some activities with your children. The teachers will not be uploading daily lessons during the next two weeks or expecting anyone to register in, but there will still be plenty of activities for you to access on the class pages should you wish to do so.

Those children of key workers who have been coming into school can continue to come in as staff will still be in school for Easter provision. The day will still run from 8.50 until 3.20.

Mental Health and Wellbeing

We understand that this is a difficult period for everyone and we are all having to adjust to a 'new normal'. We have uploaded some useful articles and leaflets on our website on our Home Learning page. The information is to support you all with your well being. Jenny Clarke, our Family Worker is also available to give support and advice via the school office.

Vouchers

Families of children entitled to free school meals will now receive weekly vouchers. We have already issued them to our eligible families. These vouchers are not for children who receive Infant Free School Meals.

Lunches for School Learning

Unfortunately our school kitchen has had to close as we are being charged daily by our catering company. We are therefore unable to provide any more meals for the staff and children who are coming into school. From Monday 6th April can the children please bring in a packed lunch.

Online Safety

The Government have produced some advice for online safety. It can be found in section 6.3 on the link

<https://www.gov.uk/government/publications/closure-of-education-settings-information-for-parents-and-carers>

Thank You

I would just like to say a big thank you to all of the school community for their patience and understanding. Have a

The Gospel

Palm Sunday Luke 22:14-23:56 "Because of this, God greatly exalted him and bestowed on his name which is above every name, that at the name of Jesus everyone should bend."

"...that at the name of Jesus"
