

*Thank You!*

For £223.41 raised by today's non-uniform day to support NSPCC Charity on fun Number Day.

The children and staff had a brilliant time.

## New Age Kurling Event

Kurling is a form of the original curling game, but adapted so that it can be played indoors on any smooth flat surface, such as a sports hall, instead of on ice.

Some of our children had the chance to take part in this event, they were taught new skills and also playing as a team.

## The Nature Discovery Centre

The Nature Discovery Centre is surrounded by a mosaic of different habitats with fantastic wildlife to see all year around. Wander along the paths beside the lake, visit the internationally important Thatcham Reedbeds nature reserve or explore some of the nearby woodland. There is large network of footpaths, perfect for family days out or for the more adventurous.

Year 3 visited the Nature Discovery Centre last Friday.

All children had a lovely day identifying trees, planting seeds and learning about pollination.

## Congratulations

Mrs Cox and her husband are expecting a baby, Mrs Cox will be going on Maternity leave in March, Miss Scott who is a valued member of the school teaching staff will be covering her maternity leave. We wish her all the best.

## The Gospel

*"Let your light shine before men that they may see your good deeds and praise your Father in heaven."*
