

IT'S WORLD BOOK DAY!

World Book Day is a registered charity on a mission to give every child and young person a book of their own. It's also a celebration of authors, illustrators, books and (most importantly) it's a celebration of reading. In fact, it's the biggest celebration of its kind, designated by UNESCO as a worldwide celebration of books and reading, and marked in over 100 countries all over the world.

This is the 23rd year there's been a World Book Day, and on **5th March 2020**, children of all ages came together to appreciate reading. Very loudly and very happily. The main aim of World Book Day in the UK and Ireland is to encourage children to explore the pleasures of books and reading by providing them with the opportunity to have a book of their own.

The Morrisons Foundation and the National Literacy Trust will give 125,000 children the chance to discover a love of reading this World Book Day by donating more than 7,300 brand new books to primary schools across the UK. Big thank you to Morrisons Staff for coming and bringing nice books for us.

Christ The King Primary School's children and staff put so much effort to make this day special.
Well Done to Everyone!!!!

The Gospel

"I tell you the truth, no one can see the kingdom of God unless he is born again."

The Living Rainforest is an indoor greenhouse tropical rainforest located in Hampstead Norreys in Berkshire, England. It is an ecological centre, educational centre and visitor attraction consisting of three glasshouses, operated and run by the Trust for Sustainable Living.

Mr Doherty's class experienced the sheer beauty of this unique conservation project in 2 different rainforest climates under 20,000 sq. ft. of glass. A stunning collection of dramatic and rare plant species and creatures of the rainforest that thrive in tropical temperatures. A visit to The Living Rainforest is a rare opportunity to see some of the wonderful plants and wildlife that the world is losing as rainforests disappear.
