

CORONAVIRUS: HOW WORRIED SHOULD WE BE?

Today you will have received a letter from Mrs McVeigh about the coronavirus. Please be assured that we have a robust plan in place and are receiving daily updates from the Department for Education.

We will continue to follow recommended advice and will make any necessary changes when required to do so.

If your child has a high temperature or a new continuous cough they must be kept at home for seven days.

For now, the best thing we can do to keep safe is to follow the advice of Public Health England.

How can you stop coronaviruses spreading?

If you need to cough or sneeze

Catch it
with a tissue

Bin it

Kill it

The Gospel

"Everyone who drinks this water will be thirsty again, but whoever drinks the water I give him will never thirst. Indeed, the water I give him will become in him a spring of water welling up to eternal life."

Are You ready for a cup of tea with Queen Elizabeth in Windsor Castle?

Windsor Castle is the oldest and largest occupied castle in the world. It is open to visitors throughout the year. Founded by William the Conqueror in the 11th century, it has since been the home of 39 monarchs. Today The Queen spends most of her private weekends at the Castle.

Our Children from KS1 went on trip to visit Queen Elizabeth's Castle in Windsor and they had a wonderful time.
