

Blog of the Week

There has been very little blog activity this week. In Mrs Bloom's class, Ibrahim and Daria gave us interesting accounts of some of their activities over half-term. Ibrahim certainly had an action packed day when he played football against Bracknell Town, winning the man of the match award, and was then diagnosed with scarlet fever. For Mr Cosgrove's class, Michele posted a lyrical reflection on colours, Arienna gave us her Lion King theatre review, and Gabriele published two instalments of a story about "The Lost World". However, the blog post that really stood out this week came from Ann-Marie Lawrence. Ann-Marie and her family left us just before half-term and are now living in Liverpool. It was great to read that the family are all happy and doing well. Ann-Marie sent two posts, telling us about her new school and her new house. Read them [here](#).

An Owling Good Time

The owls of Hogwarts came to Christ the King this week and helped Mrs Gooch's and Ms. Wilkinson's classes celebrate the end of their Harry Potter topic. It was great to see parents in class sharing the learning.

No NUTS

It is vitally important that we have no nuts or nut products in school, as some of our children are extremely allergic to nuts, and the smallest trace can cause them to become ill. Please remember not to include any nut products, including nut butters, in packed lunches.

We started our week in **Welsh**
