

Parking

Please could parents think of parking a little further from the school and walking. The exercise is good for children, and it would avoid some of the unpleasant scenes we sometimes see. On Thursday this week the traffic in Exbourne Road was particularly bad, with some cars parked illegally on the roundabout, others parked on the "no stopping" zig-zag lines outside Geoffrey Field school, and cars gridlocked as those coming down the road met those trying to get back. In all the confusion a child could very easily have been hurt, particularly when one of our parents started shouting at another.

It was the kind of scene we never want our children to have to see again, so, please, we know it can be very cold and sometimes wet, and we know that parents are often in a hurry in the mornings, but it would be really helpful if you could try not to drive into Exbourne Road..

Our Week on Twitter

This week, we tweeted pictures of our Year 3 and 4 athletes competing at JMA.

SNIPPETS

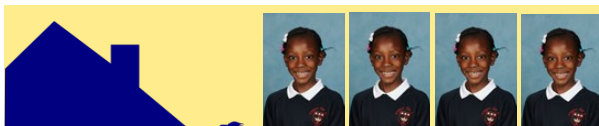

There haven't been any blog posts this week, so there's no Blog of the Week. Why not suggest your child posts a blog entry? This can be anything—a media or arts review, poem, story or opinion post.

Board Games: Do you have any board games at home that are no longer used? Mrs Asker would love to have them to use with her class. Please bring them in to Reception to be passed on to the class.

No NUTS

It is vitally important that we have no nuts or nut products in school, as some of our children are extremely allergic to nuts, and the smallest trace can cause them to become ill. Please remember not to include any nut products, including nut butters, in packed lunches.

We started our week in **Wolof** and finished in **Yoruba**.

Is it Still Christmas?

Christmas day seems a very long time ago

now. The trees have come down, the decorations have been packed away, and it may seem strange that in RE the children are still learning about this great festival, when we celebrate God's gift of Jesus. In fact, however, the Christmas season carries on until February 2nd and the feast of the Presentation. So we are still trying to spread the spirit of peace, love, joy and hope.

Congratulations!
