Reading's food bank

Harvest Collection 2025

We are writing to thank you and the children of Christ the King Catholic Primary school for your wonderful generosity in donating your Harvest collection to ReadiFood. These Harvest donations are very important to keep our stocks of food at a sustainable level, to help us continue to support those in our communities who are experiencing Food Insecurity.

Your collection is an invaluable source of support to many local families and individuals. The food collected has been brought to our Reading warehouse, where it is sorted and categorised. The food is then used to make up Food parcels which in turn are delivered back to people living in and around Reading. Your food donations will make a real difference to someone living locally.

For 20 years ReadiFood has continued to partner with an increasing number of support agencies to offer food assistance. Our referral partners include; Reading Borough Council, Social Services, School Support, Refugee Support agencies, Mental Health and Health Teams.

We hope you enjoyed your harvest celebrations and that you will collect for us again next Harvest in 2026. There may be another opportunity for your school to support our work through this year, please do contact us if you are able to support our charity. More information is available on our charity website; [Faith – We exist to alleviate poverty among the poor, needy and homeless in Reading.](#)

With Thanks and Blessings to you all.

Yours Faithfully

alison and the  **ReadiFood** Team.

Alison Peyton
