Sports Day dates are on the school website.

Ramadan

For Muslims the holy month of Ramadan began last Sunday. We have several members of our school community who will be fasting during daylight hours which means up to up to 17 hours a day of not eating or drinking. During this month Muslims also devote themselves more to charitable works. We wish them peace and every blessing at this very special time.

Congratulations

to all our children who made their First Holy Communion last Sunday and the Sunday before. Please pray for them.

Research

Today the children will bring home information about a research project run by the University of Reading. Scientists want to find out how children focus and whether this has an effect on how well they do at school. It is interesting and important research and we are very pleased that the University staff have asked us to work with them. Please do consider giving permission for your child to take part.

Please Remember : No nuts in school

We have several children who are allergic to nuts.

PIRATES

Year 6 performed the Gilbert and Sullivan operetta the Pirates of Penzance at Reading University on Thursday, working with students and staff of the University...

...and SHEPHERDS

while Year 5 learnt new skills, herding sheep on their camp at Rushall Farm. They all had a fantastic time and, as so often, we were very proud of all the children.
