**Beat the Street**— Still 26th. out of 50. We slipped briefly on Friday morning but by lunch-time when all the points had been processed from our walk to school we were back in 26th. Place. Now that "our" box is finally fixed we are looking forward to doing even better in the week ahead. It has been great to see so many children and families out and about with their beat the street cards.

### From Monday's assembly

On Sunday Jemima Sumgong from Kenya won the London Marathon.

At 22 miles she was accidentally tripped by another competitor and fell to the ground banging her head and grazing her hands. When she got up she wiped her hands, held her head for a few minutes as she ran on, and then put the injury behind her and ran even faster than she had before.

Jemima's courage and perseverance reminded us that when things go wrong; when things don't work out as we plan; when we experience setbacks, we can choose to get back up, dust ourselves off, check for serious damage and try again even harder.

### Non uniform day 6th. May

## Earthquake in Ecuador

Two weeks ago a terrible earthquake hit parts of Ecuador. Hundreds of people died, more were injured, and many thousands of others have been left homeless and without the basic necessities of life. We have in school children whose families come from this country and Arienna has asked if we can have an extra non uniform day to raise funds to help those whose lives have been blighted by the earthquake.

We will hold a non uniform day, next Friday, and invite contributions for this good cause. 13th. May is still a non-uniform day in aid of the teachers who are walking for Breast Cancer research.

We started our week in Hungarian and finished in Lithuanian

# Congratulations to...

**Billy Brophy and Natty Boakye** who were part of the Eldon Celtic football team which won the Berkshire Cup last weekend;  
**Solomon Banduka** who also plays for Eldon Celtic, in a different age group and was man of the match in a recent game;  
**Olivia Luczak** who has achieved her Level 5 and Level 6 gymnastics badges;  
**Alex Dryden** who won the Year 6 short story competition.

Very well done to all of these.

## Some reminders

## Water Bottles

with the warmer weather coming (we hope!) please could all children have a bottle in school. Drinking water is freely available in every classroom but it is a big help if children have their own bottles.

## ...but not fizzy drinks, please!

At break times and in class children have access to water. At lunchtimes they may buy juice from the kitchen and some bring in drinks to have with a packed lunch—but children should never bring in high energy drinks or fizzy drinks, both of which are full of sugar.

## Football before school

Please remember that children should not play football in the playground before school.

## Please Remember No nuts in school

We have several children who are allergic to nuts.

# Maths Ninjas

*To achieve the rank of Kudan, Lucia needed to answer correctly 99 sums in the space of 2 minutes. And Lucia is in Year 4! Wow!*

## New on this week's Blogs...

There has been a lot of super activity on our CTK blogs. From **Year 6**, where **Umar** has posted the first chapter of an exciting, original spy story, to **Nursery** where **Molly** and **Arthur** have been having great adventures, the children right across the school have been busily blogging.

Check out these:

- **Talk Tennis on Mr Cosgrove's blog**, where you can see **Loukas, Olivia, Umar and Alana** advertising their spy gadgets in a very unusual way!
- **The Nursery children** telling the story of Elmer on their blog is brilliant fun.
- Natasha's book review of *The Parent Agency* by David Baddiel is well worth reading on **Miss Clarke's** blog.
