No. 319 5th. February 2016

### Nicky Vanstone

Miss Vanstone worked at Christ the King until May 2013. As a classroom assistant and a play therapist she helped a lot of our children and she was a very valued member of staff. She left us to start a family and at the same time moved to Devon where she now lives with her husband and 2 year old daughter. Sadly, two weeks ago Nicky was diagnosed with bowel cancer which she was told is terminal. We ask you please to join us in praying for Nicky and her family. Next Friday, 12th. February, we will be holding a pupil disco to raise money for Nicky and her family.
