Absolute Concentration in the Woods at Ufton

Year 4 enjoyed a residential experience at Ufton Court this week: they lit fires, walked along ropes, made pizzas, practised archery, fed chickens, took part in large, wide-ranging games of hide and seek, and did not in the least mind the wild, wet weather.

This free experience was made possible through the generosity of the ASPIRE2 charity—the charity set up for the children of Whitley - and the Ufton Educational Trust. Later in the term we will be holding a fund raising event for ASPIRE 2.

The children were extremely well behaved and made the most of their opportunity.

Mr Cosgrove's, Miss Hysen's and Mr Krasnopolski's classes are well under way with their blogging. This is what Billy told us about his summer holidays.

Going to Thorpe Park

On Friday the 4th of September Taylan and his dad [Rob] invited me and Loukas to go to Thorpe Park. It was an early birthday present for him. I woke up at 7:30 and we got to Thorpe Park at 9:15. Swarm was the first ride that we went on. It had loads of loops. It was fun and exciting. Next we went on Stelf. That was the best ride there in my opinion. It goes from 0-80mph in 2.3 seconds, and climbs to the height of nearly 2500ft. That ride was a little bit scary but I enjoyed it.

After that we went on Detonator Bomb. It was a straight drop from 200ft. It was a lot of fun. Soon after, we went on Nemesis Inferno. It had the most loops apart from Colossus. I would've gone on with Taylan and his dad but Loukas didn't want to go on so I stayed back with him. Next was Tidal Wave, the biggest and best water ride at Thorpe Park. We got absolutely drenched! We also went on some other water ride where we were in a loop seat thing and we had to

sit in six inches of water. We also went in an awesome 4d cinema. It sprayed water out the back of the chair and cold air. Also your chairs rocked back! Next we went into the bumper carts which was a lot of fun. We also went on gladiator duel I beat Taylan and Loukas and Taylan beat Loukas.

Shortly after we went in the I'm A Celebrity Get Me Out of Here maze. We had to do bush-trucker trials. We went on Swarm and Stelf again and we went home.

Then we went to KFC.

Meanwhile Sian gave us a very interesting acrostic poem
